## AMINESS WINE & GOURMET NIGHTS

Oliveto and Half 8 restaurants in Novigrad hold dinners with famous Istrian chef David Skoko, who hosts local and international chefs and the region's best winemakers and sommeliers.

These exclusive dinners with Skoko and his surprise guests are on the calendar every last Friday in the months from March to October.

Every Aminess Wine & Gourmet Night is special.

Chef Skoko and the Aminess gourmet team prepare guests new interpretations of fish and meat specialties paired with world-class wines from Croatia, Slovenia and other neighbouring countries, and often with cocktails as well.
